**Ingrid Merriwether***President & CEO***Merriwether & Williams Insurance Services**

Merriwether & Williams' president and chief executive officer Ingrid Merriwether enjoys applying over 25 years of insurance brokerage experience to overseeing production, marketing and corporate operations. She serves as client executive on several of the firm's large accounts including the City and County of Los Angeles, City and County of San Francisco, and San Diego Regional Airport Authority, and takes an active role in initial risk exposure analyses and insurance/risk management program design.

Merriwether is the chief architect of the firm's Contractor Development and Bonding programs, administered on behalf of major public entities and jurisdictions, and enjoys collaborating with clients, contractors and community members to create mutually beneficial outcomes. Collectively, these programs have enabled small and minority contractors to bid on over \$874 million in public works construction projects to-date, establishing strong bonding credit and building the foundation for ongoing business success.
